

## True believers in silence ?

### True Believers

First of all let me explain to you the two words: "True Believers".

If we read the 3 Books of John, John is very clear about true faith.

The elements of true faith are:

1. We believe in God the Father
2. We believe in Jesus Christ our Lord, being the son of our Father
3. We believe that Jesus Christ lived as a human being here on earth and freely sacrificed himself for our sins and was resurrected on the 3d day to have eternal life and being the ruler over death and Hades and gifted us with the Holy Spirit.

### Obediance

Also in the 3 Books of John we find out that we can obey one only. From nature we obey Satan, he is the ruler of this world. So if we do not start to obey God, we obey satan, simple as that. What a gift that we have the possibility to choose and that God will help us always, when we start opening our hearts towards God.

### How deep is your Faith ?

Meanwhile I met a lot of people having different degrees of faith. I am talking about True Believers, as earlier explained. Of course we have differences in time. There are fresh believers and believers since many many years. We also know that we have been gifted with talents according to the mercy we received from God. In what we believe may be the same, but there are really differences in the strength or power of faith individually and what we do with our faith.

I found out that many fresh believers face the difficulty to talk about God openly to others and really have no clue to whom to pray to and what to say. Of course if we just started with our personal relationship with God the Father through Jesus Christ our Lord we are like a baby. This intimate relationship needs time. But I can assure you that if you are willing to put Jesus Christ on top of your list in life, the Holy Spirit will feed you with extra food, every day. And the more we eat the faster we grow. Actually you lay your life in the hands of God. You give it away. You rely completely on God.

### In Silence ?

So what do we do if our life changes due to the gift from God we received and accepted in our hearts ? Do we keep it for ourselves ?

### Break that Silence

If you think it is difficult to speak openly about the truth, maybe following will help you.

### God's wrath

The Bible speaks about this very often. There are many non True Believers. God is Love and he will give all people the opportunity to believe in the truth. Of course He does that every day. Especially now ! We have the Bible available in many many languages. The media is easy to use to learn about God (in the positive way I mean). Also the Book of Revelation shows us the truth right in front of our eyes. God always warns before he acts. So His wrath is not a secret. God tells us exactly what He will do here on earth. Even then, people have the opportunity to choose for accepting God in their hearts. But we, True Believers, know that, and if we love everyone, not our brothers and sisters only, WE MUST SPEAK ! Did you deserve or earn your Faith ? If you read "About Me" on my website, I was looking for peace and studied Hinduism, Buddhism and Taoism. Was I searching for God ? No way ! He looked for me and gave me signs to accept the truth in my heart. Luckily I listened.

Now I know what will happen when I would still be alive, without true faith, when God's wrath will come over this earth. I can tell you: you do not wish to be on this earth ! It is never too late to accept God in your heart, but please do it now before it is too late. We MUST speak to others about this because we received the truth from God and did not deserve it ourselves.

### ***HELP OTHERS TO DISCOVER THE TRUTH ! SPEAK AND SHARE !***

This is what God expects from us and this is the least we can do to non True Believers. We are not special as True Believers, we are all the same !

### Break the silence !
